

REMARKS

The application has been reviewed in light of the Office Action dated February 24, 2009. Claims 1-12 are pending in this application, with claims 1 and 7 being in independent form. By the present Amendment, claims 1-4 have been amended and claims 5-12 have been added. It is submitted that no new matter has been added and no new issues have been raised by the present Amendment.

The drawings and specification were objected to because of several formal matters. In response, the drawings have been amended to add a reference to character 11. The specification has been amended to delete reference to character 28 and to change character 26 to 56 in one instance. A replacement sheet and a copy showing changes being made on page 2 of the drawings are submitted herewith. In view of the above amendments and remarks, withdrawal of the objection to the drawings and specification are respectfully requested.

Claim 2 was objected to because of a formal matter. Claim 2 has been amended to attend to this matter. Withdrawal of the objection to claim 2 is respectfully requested.

Claims 1-4 were rejected under 35 U.S.C. §112, second paragraph, as allegedly indefinite. The claims have been reviewed and amended with particular attention to the points raised in the Office Action. Withdrawal of the rejection under Section 112, second paragraph, is respectfully requested.

The Office is hereby authorized to charge any additional fees that may be required in connection with this amendment and to credit any overpayment to our Deposit Account No. 03-3125.

If a petition for an extension of time is required to make this response timely, this paper should be considered to be such a petition, and the Commissioner is authorized to charge the

requisite fees to our Deposit Account No. 03-3125.

If a telephone interview could advance the prosecution of this application, the Examiner is respectfully requested to call the undersigned attorney.

Entry of this amendment and allowance of this application are respectfully requested.

Respectfully submitted,
